
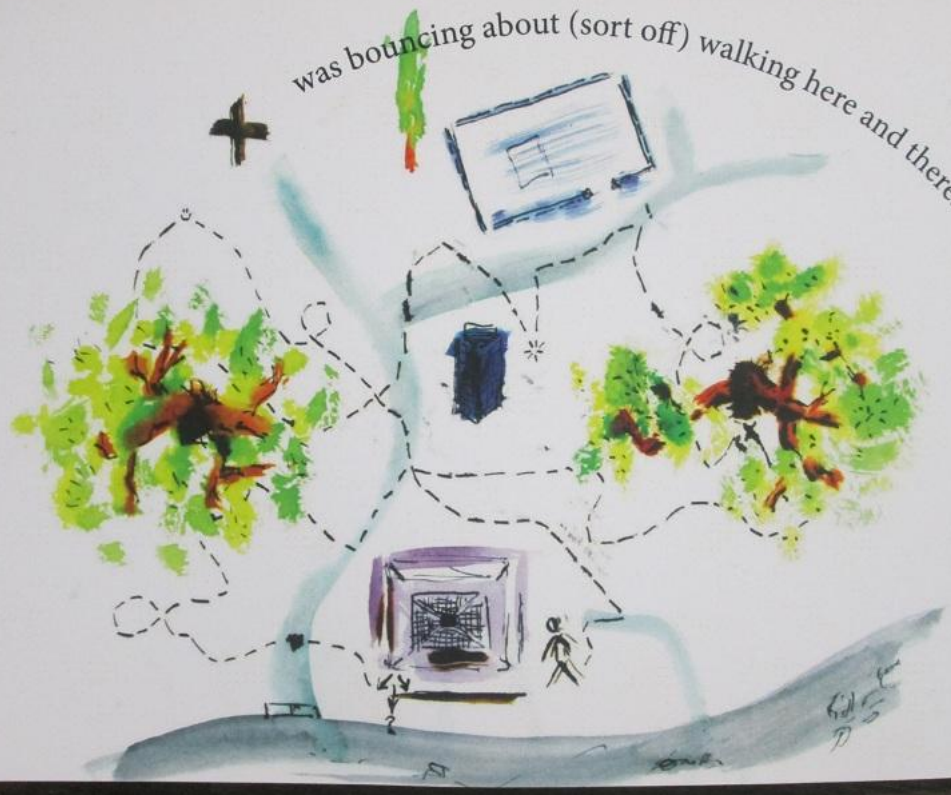
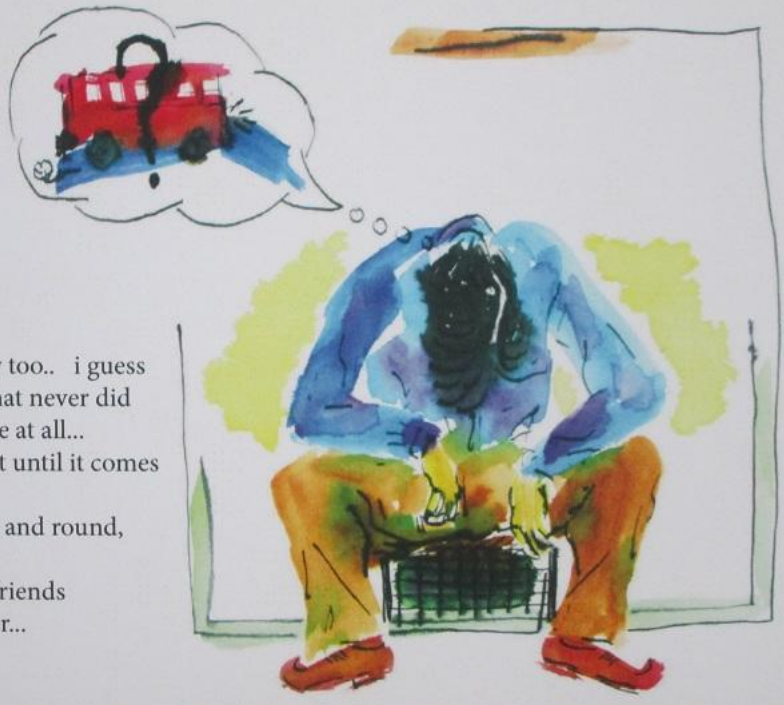
There are two of the biggest peepal trees (the oldest) that i've seen
behind that bus stop
oh actually, banyan family not peepal .. ah who cares - lovely old trees!

was bouncing about (sort off) walking here and there... quiet like... hmmm....





but,
feeling a bit low too.. i guess
waiting for a bus that never did
seem to wanna come at all...
never does too - not until it comes
eh ... haha ha!
yup - walking round and round,
up and down
- n' don't see no friends
neither...

hmmm....

then -
"Uncle!! Uncle-saar!!"
haah!!
li'l girls and kids and all
... yes ! - these're my friends
hahaha
whee... sure cheers one up.
and don't need to even do
anything!

one girl runs up right to me and
"uncle saarrr.."
and long-time-no-see-big-grin...
and then run off back to play
and i grin at them all
all playing around
and grinning
and lost
..and happy

so i turn back and continue my
roundings and roundings...
and thoughtless musings
mmmm
yah "ok", and "bye" too
and no bus

hmmm walking round and
round again

bigger and bigger rounds now ....

drifting to the other shed...
wouldn't see the bus from here -
ah -whatever

ha! my friend - (he's also ravi) !!...
peeping over the wall

"Aayyy!!"-and hide behind the wall
peep - "AhahahhaHA!!"
who's hiding ? .hehe

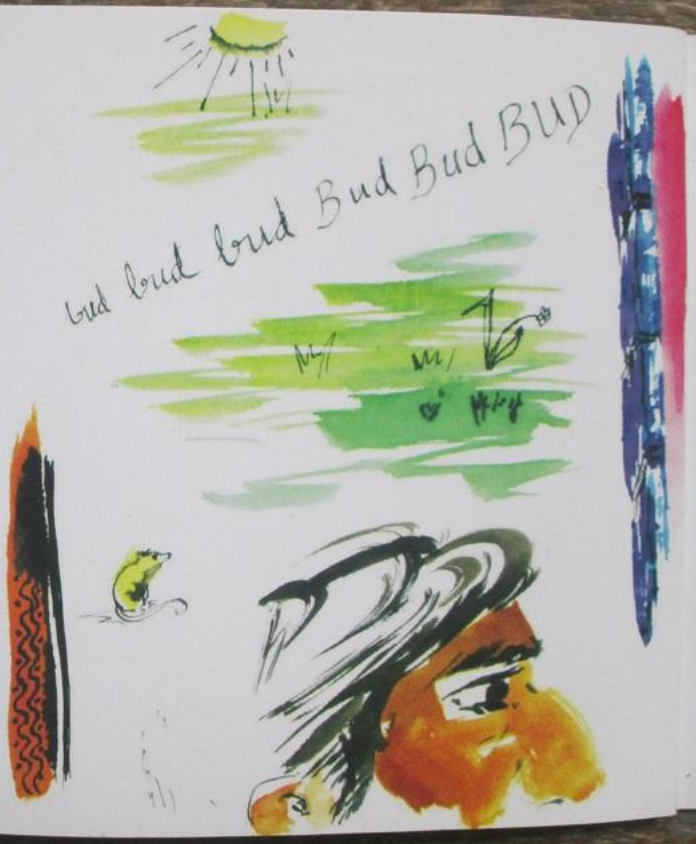
..round the hut ... hah! feeling frisky
shortcut-the funny granite fence makes
uneven walls though..
aah! stupid thoughts to think
while edging on them
fell off.
hahaha!! - kid also "HAHAHA!!"

okay!..

me and him grinning
at each other, two nuts
me just where i fell off like
him all draped along the wall
big foolish grins
happy though

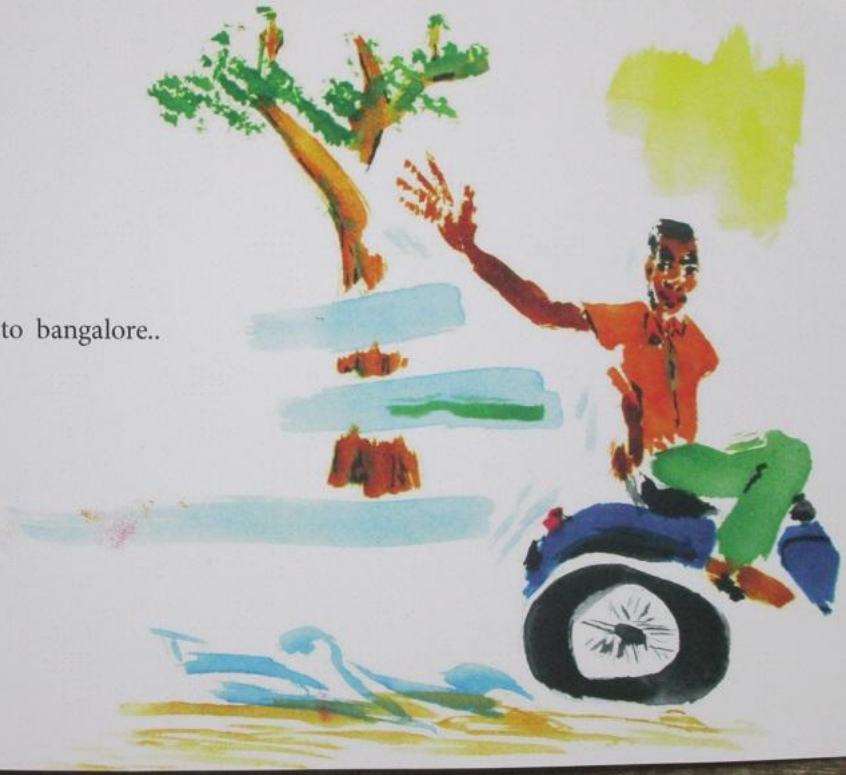
hmmm..
but don't know... what to... say...

i hear a bike
escape?
no
now I'm happy-happy like!
HAHAHA !!



"ride a-coming!"
...charge!!!
"who you?"
"hahaha" !

vrooommm..... off to bangalore..



bud loud loud Bud Bud Bud

kids are the free ones !
hah!
bye bye world !
